Maikel Severins

IT Professional

SUMMARY

Hello, I'm Maikel Severins.
I like to solve brain teasing problems in the field of IT.
I'd like to describe myself as a fast learner;
I am confident in delivering the perfect improvements and solutions for your organisation.

Some workload that I can provide:

- Build CI/CD pipelines
- IaC with terraform/terragrunt
- Provisioning with ex. Ansible, chef, puppet, saltstack

📍 : Schijfweg-zuid 5, 5995 BD, Kessel, Limburg, Netherlands
